

WHO WE ARE

For over 45 years, Boyd, Inc. has provided commercial roofing services to clients in the Dallas-Fort Worth area and surrounding states including Louisiana and Oklahoma. We are licensed installers for some of the industry's largest manufacturers. Our President, Gary Boyd is the 47th contractor to be licensed in the State of Texas by the Roofing Contractors Association of Texas. At Boyd, Inc. we are dedicated to education and keeping abreast of the latest commercial roofing technologies, codes and regulations. We pride ourselves on providing the best quality commercial roof system.

WHAT WE DO

Our team provides comprehensive commercial roofing services, from leak detection to roof repairs to new roofing systems and coating applications. We know that every roof system is different and we want to ensure our clients that we are with them every step of the way. From our initial meeting to project completion our goal is always to provide you the best roofing system for your roof and ensure that your facility stays BONEDRY.
